## Technical Standards Policy for Admission to the School

### PURPOSE:

This policy outlines the technical standards that each applicant /student must be able to accomplish in order to fulfill the responsibilities of a practical nursing student in the clinical setting.

### STANDARDS:

Each applicant must be able to:

1. Demonstrate 20/20, 20/30 vision with or without corrective lenses.
2. Observe the patient's clinical status at all times.
3. Orally communicate clearly to the patient and interact compassionately and effectively.
4. Clearly hear a person calling for assistance from a minimum of 10 feet away.
5. Bend, stoop, push and pull routinely
6. Transfer a patient of 150 lbs. on and off a stretcher/bed.

Any applicant who does not meet the technical standards as outlined above is ineligible for admission to this program.

## 4 Steps to Prepare for the Pre-Entrance Exam

Practical Nursing, Diagnostic Medical Sonography and Surgical Technology programs have substantial class work and homework that require students to be proficient readers with a wide vocabulary and competent math problem solvers. BOCES highly recommends that students take these four steps, however, those who have completed a recent academic program with strong grades may consider proceeding directly to Step 4. Most students find that the Prep Class for the Pre-Entrance Exam helps them prepare for the rigorous Pre-Entrance Exam, gain self-confidence, and solidify their interest in pursuing the academic work necessary to succeed in these programs. **Note:** A successful score on the Pre-Entrance Exam is the first step in applying to these 3 programs but does not guarantee admission.

### Step #1 Take this math and reading test to be certain you have the math and reading skills to be successful on the Pre-Entrance Exam.

#### Math & Reading Test (Register early, seating is limited.)

Students MUST satisfactorily pass this test with a successful score before enrolling in the Prep Class for Pre-Entrance Exams for Practical Nursing, Surgical Technology or Diagnostic Medical Sonography. The test covers basic math computation and reading comprehension. Bring a blue or black ink pen and photo id. If registering on night of the Math and Reading Test, only cash or money order accepted (exact amount if paying in cash). If you register online, bring your receipt. The Math and Reading Test can only be taken once within a 6 month period. **NOTE:** Those who successfully pass the Math & Reading Test will receive a \$25 reduction in their tuition for the Prep Class. For further information call 631/667-6000 x320.

Course #5555-61	M 6:30–10 PM	\$25	Jan. 23	Dix Hills, Bldg. B, Wilsonian Room
Course #5555-62	W 6:30–10 PM	\$25	Jan. 25	Dix Hills, Bldg. B, Wilsonian Room
Course #5555-63	M 6:30–10 PM	\$25	Jan. 30	Dix Hills, Bldg. B, Wilsonian Room
Course #5555-64	W 6:30–10 PM	\$25	March 21	Dix Hills, Bldg. B, Wilsonian Room

### Step #2 Based on the results of your Math & Reading Test, you will be advised either to take the Basic Skills Class (Step #2) or enroll in the Prep Class for the Pre-Entrance Exam (Step #3). Those with top skills may consider skipping Steps #2 and #3 and registering for the Pre-Entrance Exam (Step #4).

#### Basic Skills Class

Your success in any health class will depend on your ability to compute basic math problems and understand textbooks and written directions. This class will help you boost both your English and math skills. **Successful completion of this course qualifies you to retake (once) the Math and Reading Test given at 6:30 PM on the last night of class.** To register for the Basic Skills class, call 631/667-6000 x320.

Course #1049-61	M/W, 5–10 PM	\$199	Feb. 1–March 21	Dix Hills, Bldg. C, Room 27
-----------------	--------------	-------	-----------------	-----------------------------

### Step #3 If you earned a satisfactory score on the Math and Reading Test, register for this Prep Class or you may register for the Pre-Entrance Exam (Step #4). (BOCES statistics indicate that the passing rate on the Pre-Entrance Exam is higher for those who complete this Prep Class, but enrollment does not guarantee a passing score or admission into any of the 3 programs.)

#### Prep Class for Pre-Entrance Exams: Practical Nursing, Surgical Technology & Sonography

To enter our Practical Nursing, Surgical Technology or Diagnostic Medical Sonography programs, (next available Sonography class is July 2013) you must satisfactorily pass the Pre-Entrance Exam. Take this Prep Course to help you prepare for your Pre-Entrance Exam. Work on your reading comprehension, basic math skills, and critical thinking. **NOTE:** Prospective Sonography applicants in this Prep Class would take the Pre-Entrance Exam in fall 2012 for admission in July 2013. Prerequisite to the Prep Class: Satisfactory score on the above Math and Reading Test. To register for Prep Class, call 631/667-6000 x320. Textbook additional ([www.wilsontech.org/bookstore](http://www.wilsontech.org/bookstore)).

Course #155-61	T/Th 5–10 PM	\$399	March 22–May 3	Northport Campus, Room 209

### Step #4 Pre-Entrance Exams (may be taken once a semester) Practical Nursing, Surgical Technology and Sonography

Exam is \$125. Call 631/261-3721 x219 to register. Dates offered:

For Practical Nursing & Surgical Technology:

Sat. 8:30 AM on March 10, April 21, or May 5; OR Wed. 4:30 PM on April 18

For Sonography: Sat. 8:30 AM on March 10

## Pre-Entrance Exam (TEAS) Information

The Test for Academic Skills (TEAS) is the pre-entrance exam that students must successfully pass in order to be admitted to our Practical Nursing program. You may only take this test once each semester.

BOCES offers a Prep Class for the Pre-Entrance Exam (TEAS). Most students find that the Prep Class helps them prepare for the rigorous TEAS, gain self-confidence, and solidify their interest in pursuing the academic work necessary to succeed in these programs.

The TEAS consists of four sections, Mathematics, Reading, Science and English and Language Usage. A review of basic concepts and theories in each area is recommended.

- Reading – paragraph comprehension, passage comprehension and inferences/conclusions (40 items, 50 minutes).
- Math – whole numbers, metric conversion, fractions, decimals, algebraic equations, percentages and ratio/proportion (45 items, 56 minutes).
- Science – science reasoning, science knowledge, biology, chemistry, anatomy, physiology, basic physical principles and general science (30 items, 38 minutes).
- English and Language Usage – punctuation, grammar, sentence structure, contextual words and spelling (55 items, 65 minutes)

### How can I best prepare for taking the TEAS?

The Assessment Technologies Institute (ATI) has two review products, the TEAS V Study Manual and a TEAS V Online Practice Assessment, to guide your review and provide feedback about your study progress. You may purchase them at [www.atitesting.com/Solutions/PreNursingSchool.aspx](http://www.atitesting.com/Solutions/PreNursingSchool.aspx).

### Where can I take the TEAS?

Students will take the TEAS at the Northport Campus of Western Suffolk BOCES, 152 Laurel Hill Rd., Northport, NY 11768. To register, select a date on page 5 of this packet or call 631/261-3721 x219.

### What is the format of the TEAS?

Currently, the TEAS includes 170 scored multiple-choice questions divided into four subsections: Mathematics, Reading, Science and English and Language Usage.

### Can I use a calculator on the TEAS?

Calculators are NOT allowed during the TEAS.

### How long will it take for me to get my TEAS scores?

When you take the TEAS exam at Northport you will be notified by mail in about 3 or 4 weeks to advise you of your status.

### How do I know if I passed the TEAS?

Many schools set a passing standard based on TEAS performance. With Western Suffolk BOCES, the passing score is 50 percent on Math & Reading.

### How do I get an official TEAS transcript sent to another college?

Your TEAS results can be sent to any nursing school. You can request that ATI electronically transmit your results to a school for a small fee.

## Please read the following information and initial each line:

- \_\_\_\_\_ 1. I understand that my \$125 money order or certified check is non-refundable.
- \_\_\_\_\_ 2. I understand that I will be charged a \$50 fee to re-schedule my test date.
