This training will assist both district and building level administrators with the current legal requirements of No child Left Behind, SAVE, VADIR and how to report violent and disruptive incidents. All public school districts, BOCES, and charter schools are encouraged to attend. Suggested participants are superintendents or designee, building principal representative, teacher union representative and/or a person primarily responsible for accurate completion of VADIR forms. SED representatives will be available to provide guidance and clarification of VADIR requirements.
