

The Elementary Level Science Grade 4 Test Administration and Scoring

The Elementary Level Science Grade 4 science test is given to all 4th grade students. This entire test is a Pupil Evaluation Test. In addition to multiple choice questions, the first part of the test includes constructed response questions as well as extended constructed response questions. Part D, the performance part of the test, has 3 stations which all students must take.

This workshop is designed for administrators and teachers to familiarize themselves with the administration and scoring of the test.

Topics will include:

- An overview of the test

- A test sampler

- Hands on experience with the actual performance activities

- Discussion and questions regarding the manipulative components and other such concerns

Bob Plaia is a career educator who began his career as a science teacher in the junior high school and high school arenas. He has taught biology, chemistry, earth science, physics, and health. Having served as a science department chairperson, Assistant Principal, Principal and Assistant Superintendent of schools, he retired in 1995 and is currently serving Western Suffolk BOCES as its Science Consultant.
