

Intermediate Level Science Grade 8 Test - Administration and Scoring

This workshop will assist intermediate level science teachers in administering and scoring the SED Grade 8 Assessment Test in Science. Topics explored include:

- An overview of the purpose and structure of the assessment
- Hands on experience with the set up and administration of the performance tasks
- Discussion and questions regarding the manipulative components
- Grading of the test using state guidelines

Bob Plaia is a career educator who began his career as a science teacher in the junior high school and high school arenas. He has taught biology, chemistry, earth science, physics, and health. Having served as a science department chairperson, Assistant Principal, Principal and Assistant Superintendent of schools, he retired in 1995 and is currently serving Western Suffolk BOCES as its Science Consultant.
