

# The Celebration of Teaching and Learning

Join us at the 2010 Celebration of Teaching & Learning as we commemorate five years!! THIRTEEN & WLIW21's Celebration of Teaching & Learning will mark an important milestone on March 5 & 6, 2010 in New York City at the Hilton New York - five years of bringing educators together to share experiences, keep pace with the latest thinking in education, inspire creativity and curiosity in classrooms, and shape the future of schools!

The Celebration is where knowledge meets inspiration as global experts, activists, academics, thinkers and more than 8,500 educators address today's most relevant issues in education related to Early Childhood Education, English Language Arts, Instructional Technology, Science, Technology, Engineering and Math (STEM), Social Studies, Special Education and Whole School Issues.

Educators will hear from dynamic, nationally acclaimed speakers, including Lisa Henson, Steve Spangler, David Rose, Diane Ravitch, Dr. Franklin Chang Diaz, and Alan Blankstein. To join the conversation, register, sign-up for e-mail updates, contribute to the blog, share or connect with others, please visit [www.thirteencelebration.org](http://www.thirteencelebration.org).
