

They're Reading But Do They Get It? Strategies for Helping Children Monitor Their Reading for Understanding

Once children develop the stamina to sustain independent reading, teachers often wonder whether or not students are understanding. How can we get inside children's heads to know what is going on? The answer: Comprehension Monitoring Instruction.

They're Reading But Do They Get It? Strategies for Helping Children Monitor their Reading for Understanding provides teachers tools for empowering students with the language they need to reflect on their own understanding. This hands-on workshop will send teachers home with a multitude of mini-lessons and strategies to use with students to help bolster reading comprehension.
