

Let's Teach Algebra Two/Trigonometry Grades 10-12

Hear what the author of *Baron's Let's Review Algebra Two/Trigonometry* has to help you teach this program. How can you streamline this course and fit everything in for a one year course?

Let's compare strategies to help our students reach success on the Regents Examination in Algebra Two/Trigonometry.

Bruce Waldner is the President of the Nassau County Association of Mathematics Supervisors. He recently retired from the Syosset Central School District as Coordinator of Mathematics K-12 and has also had Mathematics Supervisory Positions in Malverne, Comsewogue and Huntington UFSD. He is the author of Barron's *Let's Review: Algebra Two/Trigonometry*. He has been a speaker at many conferences including LIMACON, How To Make Math Count, Student Symposium in both Nassau and Suffolk Counties, AMTNYS and NCTM.

Bruce has extensive experience working with both students and teachers. You can read his article on "Pi Day" published by NCTM in the "Mathematics Teacher", February 1994. Bruce was inducted into the Long Island Mathematics Educators Hall of Fame in November of 2009.
