11	Thanks for all your support this year especially!	5/11/2021 11:28 AM
12	Possibly divide forwarded SLS messages by grade level- only send elementary info to elementary librarians, etc.	4/26/2021 9:01 AM
13	Could we please have a single daily email that links to all of the wonderful forwards that are shared? Otherwise, I lose the emails when they are directed to a separate folder. Thanks for sharing everything, I still want it all but am trying to figure out how to manage it all.	4/8/2021 12:38 PM
14	Less emails. A lot of them are repeats because I am on the same mailing lists.	3/23/2021 5:34 PM
15	Honestly SLS has been a fantastic resource. We don't have classes coming in to the library and we are not asked to push in. Everything we do and fight for we create ourselves and hope that someone sees it and that it helps them. Some of my responses above have to do with the lack of that connection at the high school level. For example, we don't create lessons so while I do look at AASL Framework for Learners it's more to create things in our library just not used for any particular class lesson.	3/22/2021 7:39 PM
