

COVID-19 TESTING OPPORTUNITY FOR WESTERN SUFFOLK BOCES EMPLOYEES

Mandated weekly COVID-19 testing for employees who have not voluntarily submitted proof of vaccination began October 27, 2021. To comply with the first week of testing, employees must submit proof of COVID-19 testing via email to covidtesting@wsboces.org by 9 a.m. Nov. 3, 2021.

Staff may test wherever they wish during each weekly testing period, including at the numerous pharmacy-based testing centers, walk-in medical centers, and the Suffolk County Department of Health testing sites. Information about all of these options can be found at wsboces.org/covidtesting.

To provide employees with an additional option, Western Suffolk BOCES has arranged for an independent testing entity to conduct COVID-19 testing for Western Suffolk BOCES employees at the Wheatley Conference Center (also known as Taukomas), 31 Lee Avenue, Wheatley Heights, NY. The first testing session at this location will be Monday, November 1, 2021, from 2:30-5:30 p.m.

Included with this letter is a flyer from the testing entity, AcclaiMED, with information about the weekly testing.
