

Emergency Childcare for Health Care Workers and First Responders

Western Suffolk BOCES looks to support our families and community throughout the school closing period. To assist first responders and hospital personnel, we have compiled a list of child care options available, space permitting, for their school-aged children. The listing below identifies services available in the Western Suffolk BOCES area.

Families of children with special needs should discuss those needs with the specific child care providers.

SCOPE Educational Services: 631-360-0800

SCOPE Educational Services has established the emergency locations in Districts where they already hold a license to operate. Those locations within the Western Suffolk BOCES area are: Babylon/Babylon Elementary
