About Us

Help others look their best by learning the science and art of skin care and make-up in the esthetics program at Western Suffolk BOCES. This program is accredited and NYS-approved. Both full and part-time classes will help you prepare for the NYS exam that leads to licensing and a career with many opportunities to work for yourself, a spa, a retail company, a medical office, or a cosmetics manufacturer.

Students enjoy developing their techniques on fellow classmates and clinic clients as they study anatomy and physiology, bacteriology, sterilization, structure and function of the skin, facial procedures, use of various machines, waxing, basic make-up techniques, and business practices.

This 600-hour program includes preparation for the NYS Board examination and instruction for Laser Hair Removal certification.
