CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state**. While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	The version of Faronics Insight licensed to Western Suffolk BOCES is an on premise version of our product and Faronics ability to secure the systems is limited to addressing vulnerabilities in the product itself.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	Faronics does not manage or control the infrastructure used to run the product and the product does not transmit such information to Faronics.
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	Staff members are trained in a number of security related topics and receive instruction regarding the use of customer data to ensrue they remain compliant with our terms of service and privacy policies.
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	Requirements regarding data security and handling of customer data is included as part of our employees contracts and terms at least as restrictive as those applied to our direct staff are applied to contractors as well.
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	Faronics Insight is an on premise hosted product, as such no PII is transmitted to Faronics.
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	Not Applicable
7	Describe your secure destruction practices and how certification will be provided to the EA.	Not Applicable
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	Faronics maintains a number of programs to protect data that we hold. These programs limit data access to only those with a business reason to have access and will allow use of such data only for delivery of services that we are contracted to provide.
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	As the products licensed to Western Suffolk BOCES are on-premise products we cannot control the implementation and cannot attest to alignment with a specific set of guidelines in your environment.

Additional Information (More information can be provided at the bottom 2 pages):

Faronics Insight and Deep Freeze Enterprise are both on-premise products and do not transmit PII to Faronics for processing or storage. While we do have policies and procedures in place to protect customer data that is entrusted into our care none of the products licensed to Western Suffolk BOCES would place any PII into our care during their operation. Further since we do not control the deployment we cannot attest that the deployment of the products has been completed in a way that aligns with a specific set of guidelines or privacy programs.

Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.

2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.

3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.

4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.

5. A complete list of all student data elements collected by NYSED is available at www.nysed.gov/data-privacy-security/student-data-inventory and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.

6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: dpo@wsboces.org. (ii) Complaints may also be submitted to the NYS Education Department at www.nysed.gov/data-privacy-security/report-improper-disclosure, by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to privacy@nysed.gov; or by telephone at 518-474-0937.

7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.

8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.

9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
