CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	Our servers are continually monitored by our in house IT team with checks to ensure the mitigation of any unusual activity.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	All staff are trained extensively in the management of our back-end protocols. Automated safeguards are integrated into our website to lock and quarantine suspicious activity. Continuous monitoring of our database ensures immediate intervention takes place if unusual activity is discovered.
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	We do not utilize third-party contractors, all IT is managed by our in-house IT team. Gulfcoast ultrasound is a GSA Schedule contract holder and thus has been vetted to perform contract fulfillment by United States Federal agencies including the department of defense.
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	All Maintenance of our website is handled in-house. All Employees have signed Employment documentation including but not limited to the removal of customer information from our database.
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	If a data security/privacy breach was to occur, an immediate lockdown of the site and servers would occur until the location of the threat was determined. If repeated attempts to create phishing accounts were to occur, blocking initiatives to IP addresses in that region would occur. A report is then filed with the FBI cyber Crimes division
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	an Excel document can be generated with the Student / Faculty names and email addresses that had previously had access to our materials and were registered as part of the Western Suffolk Boces group
7	Describe your secure destruction practices and how certification will be provided to the EA.	Students / Faculty have the ability to obtain optional CME (Continuing Medical Education) for any products they have access to. Destruction of accounts will only occur if the user requests this to be initiated.
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	With the security of our database, and the minimal amount of PII collected (Name and Email Address), there should be no concern of security threats.
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	Our in-house protocols for threat mitigation align with NIST CSF V1.1 standards. If a threat is suspected the protocol is to identify the threat, Protect our data with lockdown protocols, Detect vulnerabilities, Respond to close any gaps and notify users and recover any data loss via

Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at www.nysed.gov/data-privacy-security/student-data-inventory and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: dpo@wsboces.org. (ii) Complaints may also be submitted to the NYS Education Department at www.nysed.gov/data-privacy-security/report-improper-disclosure, by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to privacy@nysed.gov; or by telephone at 518-474-0937.
7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
