Interested in a fast-paced and rewarding career where your skills will be in demand at many health care facilities? In this 400-hour program at Western Suffolk BOCES, you can prepare to become a medical assistant in just four months! This BOCES program is held at Wilson Tech's Northport campus.

## What is a Medical Assistant?

A medical assistant is a multi-skilled health care provider who works with patients and medical staff for the ultimate goal of quality patient care. Duties include running the front office, receptionist functions, bookkeeping, and electronic medical records. Assist the physician with examinations, treatments and minor surgery as well as perform EKG's, simple laboratory procedures and blood drawing.

## Certification

Upon successful completion of the program, a student will be awarded a certificate and be eligible to apply to National Center for Competency Testing (NCCT) to take the national certifying examinations for Medical Assisting and Phlebotomy, provided all the eligibility requirements are met.

## Employment Opportunities

Medical assistants are employed in physician offices, specialty practices, laboratories, urgent care centers, hospitals and other medical-related facilities. BOCES offers lifetime job placement services at Wilson Tech to help graduates find jobs upon graduation and even years later.

Medical assistants can advance their careers through BOCES' Schools of Practical Nursing, Surgical Technology, and Diagnostic Medical Sonography as well as its Nurse Assisting program.

## Admission Requirements

1. Satisfactory score on Test of Adult Basic Education (TABE).
2. High School diploma or equivalent is required to sit for certification exams.
3. Basic computer skills.
4. Physical exam.
5. Good physical and mental health.
6. Have the ability to clearly communicate verbally to patient.
7. Have the ability to clearly hear the patient/doctor from a minimum of 10 feet away.
8. Personal interview. After individual counseling and review of the student's ability to succeed, a counselor may recommend a period of remediation before entry into the program. Call (631) 667-6000, x327 for a pre-admission interview.

## Financial Information

Tuition: \$6,180 (subject to change July 1). Additional costs include: textbooks ([www.wilsontech.org/bookstore](http://www.wilsontech.org/bookstore)), physical examination, uniform and certification examination fee.

## Program Hours

New classes usually begin each year in September and February.

**Classroom:** 9 AM–2 PM, M–F

**Clinical:** Daytime clinical experience provided in local medical offices and clinics. Hours vary depending on the facility.

## Promotion Policy

The student must achieve a grade of 80% or better in each module and a "pass" grade (80%) in clinical to be allowed to continue in the program. Attendance is critical; students must meet attendance requirements.
