COSMETOLOGY

1000 Instructional Hours

For those with an artistic flair, cosmetology offers a wide variety of opportunities. Learn care of the hair, scalp, skin, and nails in this 1,000- hour program as you prepare for NYS licensing. Students are required to purchase a cosmetology kit and uniform.

Course Goals/Objectives

Upon successful completion of this program, the student will have acquired the competencies necessary to perform the duties of a Cosmetologist, sit for the New York State written and practical examinations for licensing and demonstrate competent professional entry-level skills.

Instructional Methods Used

Discussion, question and answer, demonstration, cooperative learning, problem solving, lecture, individualized instruction, student presentation. Appropriate training aids and audiovisual materials are used to supplement the instructional process.

Grading Procedures

Evaluation of the student's progress will be made through the use of quizzes, unit tests, practical examinations, class projects, assignment sheets and charts. The final grade will be based on $\frac{1}{3}$ written evaluation and $\frac{2}{3}$ practical evaluation.

Satisfactory Academic Performance Policy, Cosmetology Training Program

Students will have a formal evaluation of their academic progress at 450 scheduled hours and at 900 hours. Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next scheduled evaluation. Students who come under "Warning" status may come out from under that status by meeting minimum attendance and academic requirements by the time of the subsequent evaluation period. Title IV funding will continue until the next evaluation period following a first "Warning" issuance. If

a student receives a subsequent warning status, he/she will no longer be eligible for Title IV funding.

Students may be granted a leave of absence from their program for reasons deemed acceptable and necessary. If enrollment is temporarily interrupted for a leave of absence, the student will return to school in the same progress status as he or she had prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Being granted a leave of absence in no way reduces the obligation on the part of the student to complete his or her program in the allotted time frame. All programs must be completed within the 150% timeframe of the program's scheduled hours.

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal, assuming there is adequate time left to complete the program within the 150% time-frame. Noncredit, remedial, and repeated courses do not apply to the Satisfactory Academic Performance evaluation criteria at this institution.

Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Students in the Cosmetology Training Program must maintain a minimum grade of 75% (C) and a minimum attendance record of 90%. All missed classes, modules and sections must be made up and they must be made up within the 150% time constraint.

Academic/Practical & Attendance Criteria

Attendance Policy

Attendance and punctuality are of the utmost importance and are considered to be an integral part of performance. Students are expected to be present for all scheduled classes. Students are responsible for all material discussed in class as well as assignments given.

To remain in good standing, each module in the Cosmetology Program must be completed with an academic grade average of 75% (C) and an attendance average of 90%.

Minimum hours of attendance need to pass each module are 90% of scheduled hours. If this minimum is not met, an incomplete (Inc) or dismissal from the program may result.

A student will be dismissed from the Cosmetology program if his/her final grade for any module is below 75% and/or attendance falls below 90%. A student may also be dismissed for behavior issues. If a student does not complete two modules due to grades or attendance, they are dismissed from the program and may reapply as a new student. Any dismissal may be appealed. Dismissed students may request a meeting with the Principal of adult programs, the Program Coordinator and the instructor to discuss a return to the program. If a student returns to the program, the student will be charged a \$1000 makeup fee for any repeated module.

Attendance is a vital part of the learning experience. For each 15 minutes of lateness, a student will be charged with a half hour of absence and for every half hour late, a student will be charged with one hour of absence. If a student is late or leaves early three times in one module, he/she will be required to forego the next full day of instruction and will be charged for an additional 6 hours of absence.

Cosmetology Technical Advisory Committee

The Cosmetology program at Western Suffolk BOCES is supported by a Technical Advisory Committee which meets on a bi-annual basis. The committee is comprised of faculty members and representatives from the professional community. The purpose of the committee is to allow program and institutional personnel the opportunity to collaborate on shared experiences, goals, and outcomes. It assists in formulating and periodically reviewing learning domains, program needs, resources, and expectations that help foster responsiveness to change. The committee also discusses current issues and trends within the profession. Accomplishments and recommendations from committee members with regard to additions, deletions, revisions, equipment and curriculum objectives are reviewed.

Committee members provide input to help ensure that our program is compatible with employment opportunities and current technologies.

Classes for the Cosmetology program are held at Western Suffolk BOCES' Northport Campus.

Class Hours/ Dismissal Time

Daytime class hours are M-F, 8 am – 2:30 pm.

Complaints and Grievances by Students in Adult Programs

Western Suffolk BOCES has developed these procedures for adults to follow in regard to disciplinary actions, suspensions, unfavorable evaluations and dismissals related to programs/services for adults. The goal is to secure as rapidly and equitably as possible a resolution to the "grievance."

DEFINITIONS:

- “GRIEVANCE” is an event or condition related to the student’s classroom or practical achievement, disciplinary action and/or appeal requiring attention.
- “DAYS” refers to working school days.

GRIEVANCE PROCEDURE:

LEVEL I: The student will discuss the event with those directly involved in the problem. For example, if the problem is relevant to the adult’s coursework, the student should speak to the teacher.

Alternatively, evening students can discuss the issue with the evening Supervisor; day students can meet with a counselor in an attempt to resolve the problem; students in the health programs can speak to the appropriate administrator.

LEVEL II: If the problem is not resolved or the student is not satisfied with the disposition of the grievance at Level I the grievance may, within two days, be filed in writing. Request a Student Grievance Form from the Adult Education or Health Careers Offices. Complete the Grievance Form and return to the appropriate administrator. An official grievance should state:

- a. Name of aggrieved party
- b. Reason(s) for grievance with statement of nature and facts of grievance including date concern first arose and events or conditions which constitute the grievance.
- c. Statement of redress sought by aggrieved party.
- d. School representative with whom the aggrieved party met and reason for dissatisfaction with the results of Level I.

The Principal shall within two days of receipt of the written grievance meet with the student in an effort to resolve the grievance. If the student is not satisfied with the disposition of the grievance at Level II or in the event that no decision has been rendered, the student shall forward the written grievance within two days to the Executive Director of Career and Technical Education.

LEVEL III: The Executive Director of Career and Technical Education shall within two days of receipt of the written grievance schedule a meeting of the Grievance Appeal Committee which is composed of the appropriate administrator, a member of the faculty and a student representative. The committee will meet with the student in an effort to resolve the grievance. If the student is not satisfied with the disposition of the Grievance at Level III or in the event that no decision has been rendered, the student may file the grievance within two days in writing with the Senior Executive Director.

LEVEL IV: The Senior Executive Director or his representative shall, within four days of receipt of the written grievance, meet with the student in an effort to resolve the grievance. The Senior Executive Director has four days from the date of the meeting to render a decision.

LEVEL V: If the student deems the grievance is not resolved at the Senior Executive Director level, the written grievance and all decisions shall be forwarded to the Chief Operating Officer who will

make a final decision within 15 school days.

LEVEL VI: If the student deems the grievance is not resolved at the Chief Operating Officer level, the student may contact the Council on Occupational Education (COE), 7840 Roswell Rd. Building 300, Suite 325, Atlanta, GA30350. The phone number is 770-396-3898, fax 770-396-3790 and website is www.council.org. The student should use the official Complaint Certification Form which is available from supervisors in the Adult Education or Health Careers Offices. After the complainant contacts the COE, he/she will receive a letter acknowledging receipt of complaint.

NOTE: At any point in the procedure, the student may request, in writing, the presence of one peer or an ombudsman of his or her choice. Western Suffolk BOCES will maintain written records of all complaints filed through two complete accreditation cycles.

Grading System

Students will be graded on all quizzes, exams and clinic evaluation. A student must earn a grade of 75% to pass. Any grade below 75% will be a failing grade. No assignments will be accepted after the conclusion of each module, which may result in a failing grade. Certificates of completion will not be awarded until all modules are successfully completed.

I will demonstrate respect for myself, my instructor and my fellow students at all times. Behavior deemed disruptive may result in dismissal from class.

I will be prepared every day for class with cosmetology supplies, textbook, workbooks and notebook.

I understand that no items may be removed from the dispensary without permission.

I understand that using profanity in the classroom is forbidden and any use of foul language may result in disciplinary action and/or dismissal.

I understand I am not allowed to record/post any social media videos/photos while on school grounds.

I will abide by the attendance policy; students are expected to be present for all scheduled classes.

I understand that if I miss 10% of the hours in any given module, I will be dropped from that module and not receive a grade in that module. The module in which I missed must be repeated in its entirety the next time it is offered and there will be a makeup fee of \$1,000 payable in advance of that module to receive a WSB Certificate of Completion.

If Western Suffolk BOCES closes, current students shall receive a pro-rata refund of tuition.

All additional expenses, such as uniforms, textbooks, supply kits, software, state licensing fees, Airman testing fees and program consumables, that are not included in the tuition price are non-refundable.
